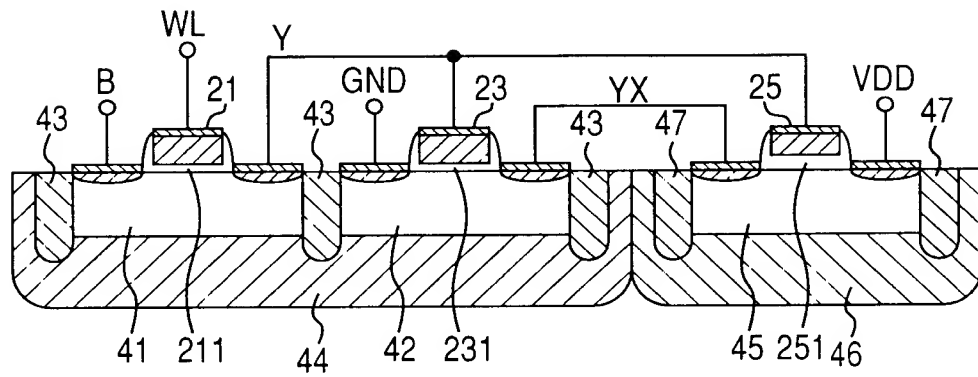

Fig.4

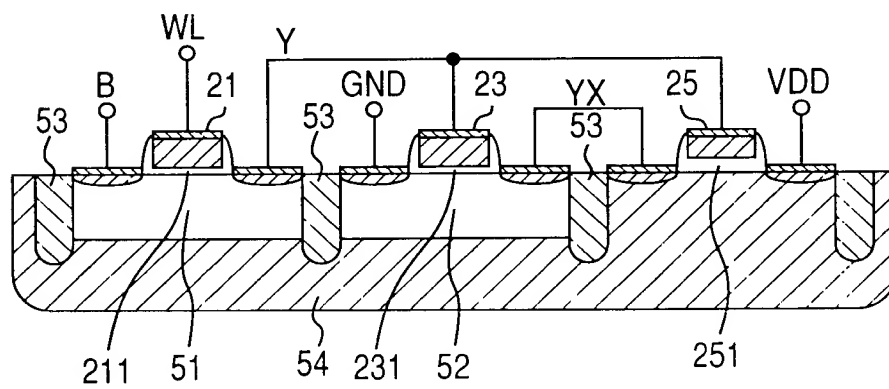

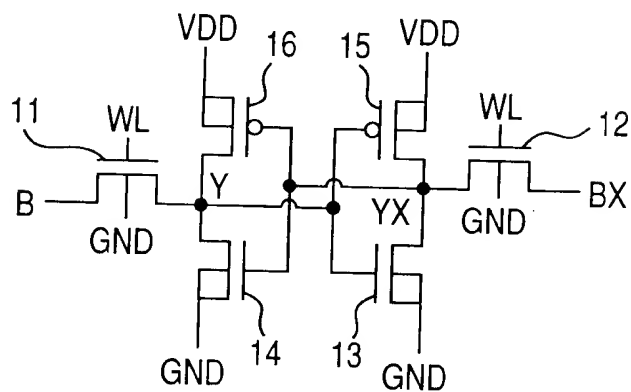

Figure 1: Schematic representation of the experimental design. The figure is divided into two main sections: 'Pre-Test' and 'Main Experiment'. The 'Pre-Test' section includes 'Pre-Test 1' (a 2x2 factorial design with 'Condition' (Control, Training) and 'Group' (Control, Training)) and 'Pre-Test 2' (a 2x2 factorial design with 'Condition' (Control, Training) and 'Group' (Control, Training)). The 'Main Experiment' section includes 'Main Experiment 1' (a 2x2 factorial design with 'Condition' (Control, Training) and 'Group' (Control, Training)) and 'Main Experiment 2' (a 2x2 factorial design with 'Condition' (Control, Training) and 'Group' (Control, Training)). Each section shows a flow from 'Pre-Test' to 'Main Experiment'.
